A first impression

A remarkably bright and spacious double upper house of approximately 138 m2, featuring four bedrooms, a beautifully designed 24 m2 terrace, and two balconies. Situated in one of the most charming and tranquil parts of De Pijp, just steps away from the Amstel River!

This exclusive home occupies the first and second floors of a stately building from 1882, located on freehold land. The apartment is characterized by its 3.20 m high ceilings, floor-to-ceiling windows, open-plan layout, herringbone parquet flooring, and French doors at both the front and rear balconies, creating an abundance of natural light and a wonderful sense of space.

At the rear, the bespoke kitchen opens onto the terrace, designed by a landscape architect, and perfectly oriented to catch the afternoon and evening sun. At the front, the balcony offers a view of the Amstel River. The property includes four bedrooms, two toilets, a luxurious bathroom, and plenty of custom-built storage space.
