A first impression

The Felix Suites combine comfort with the beauty of nature, a perfect home with full living enjoyment for everyone. It is not without reason that the residential complex derives its name from Latin, where "Felix" means blissful or happy.

The built apartment building is not only characterized by its convenient access to public transport and cycle paths, but also offers unique moments in the countryside thanks to its location. The sweeping view of the majestic mountain range gives this residence an incomparable atmosphere.

The apartments are already exempt from any convention.
