## A first impression

We offer a family house with Mediterranean beauty and an exceptional location, which has an exit at the end of the garden to Göd's Danube promenade.

This special home is located right next to Gödi Island and the small Danube tributary, where the landscape protection environment and floodplain birds offer a magical nature experience.

The interior, created using high-quality materials, has many extras: camera system, alarm, central vacuum cleaner, built-in Internet and home theater system. The kitchen has unique wooden kitchen furniture with Miele appliances and a granite counter.

The 750 sqm villa is an excellent choice for two generations. There is also a smaller apartment in it, which has a separate living space and a separate entrance.

The garage provides space for five cars. Additional cars can be parked in a closed yard. The family house can be moved into immediately, the purchase price includes all furniture.

Göd is located 40 km from downtown Budapest.
