## A first impression

This beautiful, elegant villa is located in a sought-after residential area above the village of Paguera. From the terrace, there are breathtaking views of the sea and the surrounding area. This villa was built in 2003 and modernised in 2016 and is in top condition. It extends over a total of three floors, which are easily accessible via a lift. The entrance level is a spacious, open-plan living room with floor-to-ceiling windows and various areas, such as a fireplace lounge, a sofa suite with sea views, a dining area, an open-plan kitchen and a curved staircase leading up to the sleeping area. There are also two further bedrooms and a separate guest bathroom on this level. The pool terraces are also accessible from this level. The centrepiece of the upper floor, which can be reached via the staircase as well as by lift, is a large living room. Three bedrooms lead off from this: The master bedroom has its own balcony with sea views as well as a whirlpool bath, a dressing room and a large bathroom with double washbasin and walk-in shower. There are also two further large bedrooms on this level, each with its own en suite bathroom. One of these has a balcony with sea views, while the third bedroom overlooks the palm garden. The lift takes you to the basement with an area of approx. 328 m<sup>2</sup> and space for at least 3 cars, many utility and technical rooms and a further WC. In this area there are still many possibilities for expansion and design. The pool is a heated saltwater pool. On the pool terrace there is a bathhouse with shower and WC. The covered terraces invite you to linger with a fantastic view of the bay of Paguera and as far as Santa Ponsa. At the rear of the property is the "Zen garden" with another large lounge terrace with jacuzzi and seating as well as a garden shed with space for garden furniture and other items.

## All about the location

Paguera (Catalan: Peguera) is a holiday resort in the southwest of Mallorca that is very popular with German families. Just under 4,000 inhabitants live in the touristy seaside resort in the municipality of Calvià. The three fine sandy beaches of Paguera offer first-class conditions for swimming, snorkelling and various water sports. While Playa de Tora and Playa de la Romana are natural sandy beaches, Playa Palmira was created by artificial sand filling in the 1990s together with the beautiful beach promenade, where a diverse selection of restaurants have set up shop. Playa Palmira is also the largest beach in the area and is particularly popular with families with children due to its low swell. The centre of Paguera, the Bulevar de Paguera, is the shopping mile in the holiday resort of Paguera. The main shopping street runs parallel to the beaches and is lined with numerous shops and restaurants. And Paguera benefits not least from its easy accessibility: the island's capital Palma de Mallorca and Son Sant Joan airport are only around 30 minutes away by car and the holiday resort has a direct motorway connection. Just a stone's throw away is the noble Camp de Mar, which is particularly popular with golfers, as the resort has a challenging golf course.
