A first impression

We present an exclusive penthouse and super-attic of about 400 sqm with a 50 sqm level terrace, located in one of the most exclusive areas of Catania, behind Corso Italia, the avenue that serves as the beating heart of the city, where elegance, class and a touch of cosmopolitanism blend perfectly, making it the reference point for those who want to live in a sophisticated and well-serviced area. The proximity to the Court of Catania adds a touch of practicality and strategic importance, making this area not only elegant but also functional, perfect for professionals and those seeking comfort and style in a central and prestigious location. The residence is located on the 3rd and 4th floors of a 1940s building and has a private elevator to the floor, in addition to internal and external stairs that make the two floors completely autonomous. Possibility of customization and finishing by the buyer, with the current state to be finished according to his taste. The 3 fireplaces in addition to furnishing make the property unique.

For more information or to book a visit, do not hesitate to contact us. We will be happy to accompany you in this exclusive real estate proposal.
