## Az also benyomás

Perched elegantly atop the western hills of Agios Georgios, Gaia presents a magnificent spectacle of luxury and comfort in the Cyclades. Boasting 210m<sup>2</sup> of indoor space, this distinguished villa features three lavish bedrooms, with the master bedroom situated on the upper floor, offering an exclusive loft experience that crowns the residence with breathtaking views.

Gaia's allure extends beyond its interior opulence, showcasing a private pool and expansive outdoor area, including a captivating outdoor dining space. Here, guests can savor al fresco meals while being captivated by the mesmerizing vistas of the bay of St. George and the Ancient Sanctuary of Despotiko. These panoramic scenes offer an immersive connection to the historical significance and natural grandeur of the area.

Set on a 500m<sup>2</sup> plot, the villa Gaia provides ample space for potential outdoor activities and personal touches. Alongside the upper-floor master bedroom, the property boasts an underground cellar, adding an extra dimension to its allure. The plans for a BBQ area underscore the promise of a harmonious blend of luxury, comfort, and entertainment, ensuring a memorable stay in this Cycladic haven.
