Dettagli dei servizi

The lift provides exclusive access to the apartment on the ninth floor. The spacious, light-filled living room with semi-open kitchen forms the heart of the home. The kitchen is a true statement piece: a large island fully executed in marble, paired with high-end built-in appliances. From both the living area and kitchen, the views extend over the IJ and the Westerdok. The west-facing balcony offers spectacular evening sunsets.

In addition, the apartment features two generously sized bedrooms, connected with sliding doors, and two bathrooms—one of which includes a bathtub, walk-in shower, double washbasin, and marble finishes.

Interior

The interior, designed by Sander van Eyck of Cocoon Living, offers a harmonious blend of contrasts: understated yet chic, modern yet warm. Premium materials take center stage: natural stone, solid wood, glass, and bespoke details create a luxurious yet timeless atmosphere. The spaces are designed to emphasize the impressive views, with interior and exterior seamlessly merging. It is no coincidence that this apartment was prominently featured in *Talkies Man* (October 2021).

Tutto sulla posizione

Westerdok is one of Amsterdam's most characterful areas: historic and bold, with an international flair. The Jordaan, Haarlemmerdijk, and Central Station are all within walking distance. Westerpark is also nearby, along with a wide range of shops, restaurants, and cafés. Thanks to direct transport links, accessibility is excellent both by train and via the A10 ring road; Schiphol Airport is about 15 minutes away.
