Una prima impressione

A unique investment opportunity on the northern side of Antiparos, this expansive 43,000 sq.m. plot offers breathtaking 180-degree sea views, with a prime northeastern orientation overlooking the channel and the island of Paros. Just 100 meters from the sea and 1.5 km from the main village and port of Antiparos, the location provides both privacy and convenience. The property has a residential building allowance of 280 sq.m., making it perfect for a luxurious villa or private estate. Alternatively, it can accommodate a hotel of up to 2,500 sq.m., or a stunning 560 sq.m. subterranean house, thanks to the ideal slope of the land. With easy road access, the plot is well-connected with electricity, water, and phone services available. Its proximity to the beach and peaceful surroundings make it an excellent choice for building a five-star resort, villa, or retreat.
